SWEET MELANIE

Dear PURELY 18,

Wow! That's all I can say. Your last issue was over the top. The young girls were all superb, but Melanie was the standout. That brunette, with those big, natural tits—sent me over the edge. She could be a movie star, like a young Katie Holmes type—except with bigger boobs. In fact, I'd love to try and get her in the movies. Of course, I'd be the director (and the leading man). Do you think she'd go for this?

Jared T.
Wilmington, DE

Dear Jared,

Something tells us, that although she'd probably be flattered, Melanie would most likely pass on your offer. However, you do have good taste, and if Melanie does ever make it to the big screen, we're sure you'll be her biggest fan!

TEMPERATURE'S RISING

DEAR PURELY 18,

Okay, you guys are really trying to put your readers in the ER. My blood pressure skyrocketed when I opened your last issue and saw the layout of Veronica and Billy. Not one—but two lovely young things getting it on in the pool. C'mon, my heart can't take that, but the pics were sure great for my hard-on. Do you think if I go to my local pool club I might find these two babes?

Sal A.
Newark, NJ

Dear Sal,

You might have more chance of hitting Lotto, but there's always hope...we guess. Then again, at least you can "meat" these lasses here, in our scintillating pages.

GIANT PLEASURE

Dear PURELY 18,

When I checked out your last issue and saw the layout featuring Nikita, I thought it was the hottest layout I'd ever seen. Believe me, I've been buying adult mags for more years than I care to remember. I couldn't believe it when she put that gigantic electric dildo inside her wet, open box. That contraption was scary to look at. I can just imagine what it felt like inside of that young girl. Did she have any after-effects?

Mark P.
Columbus, OH

Dear Mark,,

Believe it or not, after the shoot, Nikita told us that it was the most pleasurable experience of her life. In fact, when the photographer stopped shooting, she continued playing with it. Ah, to be a horny, young girl!

HE'LL TAKE TWO

Dear PURELY 18,

I'm a 40-year-old man, and I'd give my left nut to fuck even one 18-year-old. However, when I saw your last issue, and the layout with Dan getting it on with Lily and Alisha—I went absolutely insane. How does he rate two hotties taking him on—one fucking him, while the other sucks him? Sure, he's young and has a

big dick, but what about an experienced older man like myself? I'd like to nominate myself for the role for your next threesome!

**Ralph G.
Stockton, CA**

Dear Ralph,

Thanks for the offer, and we'll keep you in mind. Oh, but, we have a few thousand other guys ahead of you. However, when your turn comes, we'll call you.

RED-HOT REDHEAD

Dear PURELY 18,

Ronnie—in your most recent magazine—was the single most beautiful woman I've ever seen! I love redheads, and she was to die for—literally. She had a perfect body, perfect face, perfect pussy—simply perfect. Does she have a sister—or a single mother, even? I'm sure the family has perfect genes.

**Hal S.
Orlando, FL**

Dear Hal,

Ronnie told us she's an only child, and her mother is happily married. I guess you'll just have to get by with pleasing yourself to her pictures. We do agree she's perfect, and you get to enjoy her over and over again!

Yeah, I know. I'm the shit! You don't have to tell me. Guys and girls hit on me all the time. I'm too cute, and I love all the attention. When I tell guys my name is Chrissi, they say I look just Suzanne Somers in "Three's Company." Personally, I think I'm a lot sexier than her, but I'll take it. I can have my pick of the litter, but sometimes, I get in a mood where I don't want anyone fucking me. That's when I pull out my trusty vibrator and let it do its duty. I love to bring myself to multiple climaxes, thinking about all the hunks who are dying to stick their dicks inside of me. Like I said, I'm just too cute!

A Young Girl's Diary

What goes through the mind of a young girl is fascinating fodder. Each month, **Purely 18** gives you a private look at the most personal of a young girl's thoughts, her diary. This time around, we examine a week in the life of **Tammy**, a curious 18-year-old, as she ponders her world of... what else ...**SEX!**

32/87

Dear Diary,

Oh, my God! Of everything I've ever written in here, this is literally the greatest day of my life. It's very late now, and I'm so tired—but a good tired—but I just had to sit down before I hit the mattress and tell you about my day.

You know how pissed off I get because everyone's always telling me how young I look. Hell, I'm 18, but today—for the first time—I feel like a real woman! That's because I had the hottest sexual experience of my life. Granted, I haven't had that many, but I doubt—even if I live to be 60—that I'll ever have a cooler, er, wilder, encounter.

Little do Mom and Dad know I have them to thank for my multi orgasms. When they bought me tickets for the hip-hop concert at the Coliseum, there's no way they could have known what was going to happen.

The night started off normally. I was with Allison, since she's like my shadow. The seats were primo—front row—and while we were bopping to the opening act, a new “white rap” group, I noticed this guy staring at me from the side of the stage. He was ultra-cute; early-20s, great build, short cropped hair, and a neatly trimmed mustache. Halfway into the set, I noticed him walking toward me. Poking Allison in the ribs, I took a big gulp and trembled a little, as he got closer.

“Hi,” he said, “My name's Lon, and I couldn't help but notice how super-cute you are. I'm the road manager of the band. I'd love to invite you backstage to hang out. Oh, you are legal, aren't you?”

I quickly assured him that I was old enough to vote (as well as do “other” things), and that I'd love to hang backstage. He invited Allison also, out of politeness, I guess—and in a matter of seconds, the three of us were backstage.

Things got a little crazy from here. The set was soon over and the group came over and started chilling backstage. They were drinking and talking to some skanky chicks—well, I guess they were groupies. The drummer actually started hitting on Allison. That's when Lon started cozying up to me. He grabbed my head in his hands and began kissing me. I didn't resist. As he continued pushing his tongue inside my mouth, I felt a big bulge in his jeans as it throbbed against my thigh. My panties started to get wet.

When Lon said he and the boys were headed back to their hotel and asked me (and Allison) along, I couldn't say no. Long story short, I was soon back in his room. I think Allison went to the drummer's room, but I was so horny, all I could think about was making out with Lon.

He pushed me onto the bed and began undressing me. When I was naked, he commented on how he loved my pert, natural breasts. I was super-wet by this time, and I unzipped his jeans. Gosh! I couldn't get his dick out of his pants. It was humongous—like one of those huge beef salamis they sell at the deli—only thicker!

I've sucked a few dicks in my day, but none came close to this one. I did my best to wrap my mouth around it, but I finally gave up and began licking it up and down—like an

ice cream cone. Then, little by little, I was able to get the head in my mouth. I twirled it around and played with his full balls—letting my fingers tickle them. I sucked Lon's lollipop until my jaw ached. Then he told me he was saving himself for my pussy.

Lon pushed me on by back, spread my pussy lips, and quickly inserted two fingers inside. I was so wet that he didn't even need to use any spit (like some of the boys do) to slide inside. His fingers were like miniature jackhammers. I started getting so excited that I thought my heart would burst from my body.

All I could think of was getting fucked, and I told him so. Lon climbed on top of me and inserted his monster meat into my pussy. As he began stroking in and out, I was lost in another galaxy. I never felt such a huge penis inside me—and the feeling was otherworldly! I've had one or two small orgasms before, but this time I almost blacked out—and he still hadn't cum!

I wanted more, but I didn't expect what happened next. "Sweetie," he whispered, "How about I teach you something new? I want to fuck you in the ass!"

I gasped and thought I would faint. It's one thing taking that foot-long in my tight, young pussy, but my asshole—

my virgin asshole? I started saying "No," but when he said he'd stop if I didn't like it, I agreed.

And thus began my ascent into true womanhood! Lon was very gentle. He took out a tube of lube from the bedside dresser and began greasing up his index finger. Then, he eased it into my asshole. I recoiled at first, mostly because it felt so cold, but he played with my clitty while he eased the finger inside, and I began to feel a lot better.

After a while, I began to get tingly all over. I felt my poop-hole expand greatly. Then, I felt Lon remove his finger. He began to push his cock inside, and I was sure I wouldn't be able to take more than a few inches, but little by little, he thrust inside, and soon, my anus began to expand like a rubber band. Suddenly, I felt a big plop, and realized that his giant manhood was all the way in my asshole!

It helped that he was playing with my clit and pussy as he began slowly fucking my ass. This steady rhythm picked up in pace after three or so minutes. He then held my two ass cheeks apart and began ramming his rod in harder. I felt a strange sensation, which started at the balls of my feet and went all the way to my throat. It was the mother of all orgasms starting to build. Lon continued to thump my anus and that's when I saw stars.

I began screaming and shaking and I felt like I was cumming from several different places. I didn't think you could

have an anal climax, but I'm pretty sure I did—as well as from my pussy since Lon kept on finger-fucking me.

I was shaken back to my senses when I felt a ton of a sticky substance dripping out of my asshole and down my leg. Lon shot what looked like a gallon of semen all over me. Yeah, okay, I admit it. I scooped a little up with my finger and licked it up. Yummy for my tummy!

We made out for a little bit longer, then Lon put me in a cab, and here I am—back home, writing this—before I have what will probably be the sweetest dreams of my life. I'll catch up with Allison tomorrow (for all I know, she's still fucking the drummer), but for now, I'm in the moment—and what a moment it is!

BEHIND THE SCENES OF...

ASIAN GIRLS ARE SEXY

Digital Sin

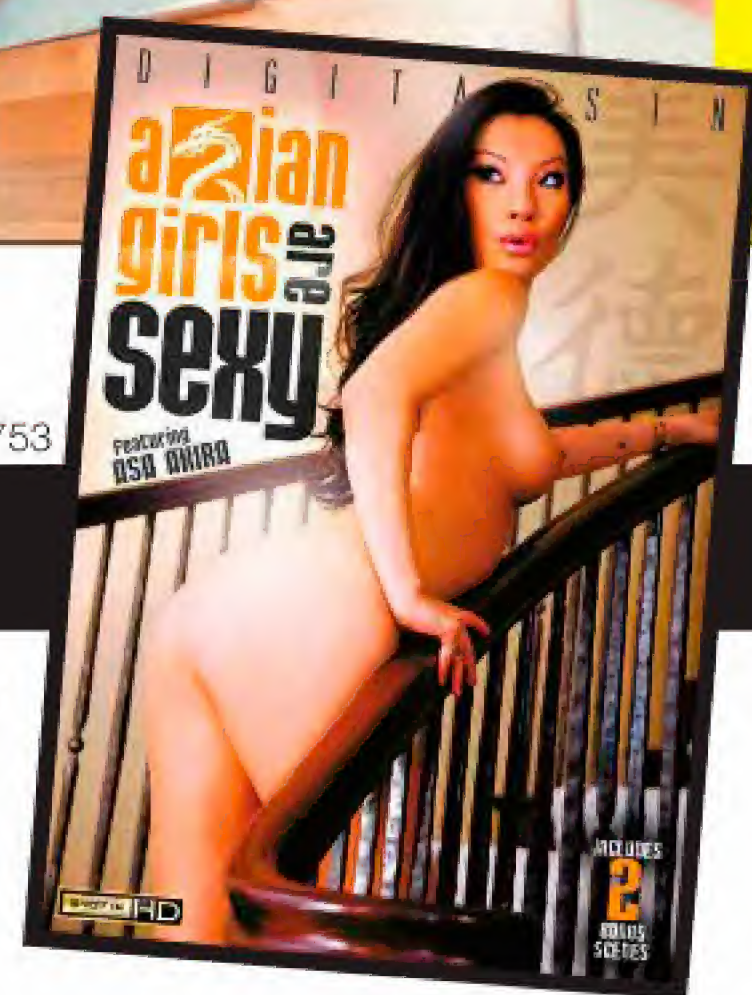

32753

Starring: Asa Akira, London Keyes, Adrianna Luna, Cindy Starfall.

Directed By: Eddie Powell

Exotic Asian women come out to play in this well-executed movie that is directed by the keen eye of Eddie Powell. A must see for fans with yellow fever, these four girls are put through the paces, proving that horny Asian hotties is where it's at. Asa Akira, who positively glows on the box cover, is the bell of the ball when shining up Erik Everhard's chopstick. Generating enough spicy wasabi to keep the action well lubed throughout, Asa grasps the stair railing once Erik hammers her in doggie position. Banging like bongo drums, Asa is left panting and her thighs trembling as she succumbs to multiple orgasms. London Keyes is another tasty babe who jumps right into action with Bruce Venture. Looking beautiful in a red corset and black stockings, London appears ideal when bending, twisting and pleasing Bruce. Going in with gusto, London rides his fat cock hard in cowgirl position. After a few more arrangements, she works up a sexy sweat before slurping his prick down like a plate of spicy chow mein noodles. Yum! Once London has been buttered and served,

we find Adrianna Luna writhing across a sleek gray bed, enticing Anthony Rosano with her plentiful curves. After a solid suck session, Anthony injects his prick into her freshly shaven snatch. Dominant from start to finish, Anthony cleans out her hole in a slew of hot positions, including reverse cowgirl and spoon. Although an incredible scene, the fact that Adrianna is really a Latina porn star rather than an Asian angel really puts a damper on things. Next, pretty Cindy Starfall lives up to her well-suited moniker when she allows Erik Everhard to bang her until her bells ring. Up for the challenge, Cindy does her best to treat him to a spirited blowjob, stretching her small mouth to its limit. But, nonetheless, her enthusiasm is heartfelt as is the way her almond eyes squint when Erik plows through her itty-bitty pussy in missionary position. Schwing!

BEHIND THE SCENES OF THE INSATIABLE MISS SAINT

Jules Jordan
Video

32082

Starring: Samantha Saint, Kiara Diane, Brett Rossi, Voodoo, James Deen, Chris Strokes, Jules Jordan, Others **Directed By:** Jules Jordan

Singling out Samantha Saint, not only for her breathtaking beauty but also for her hardcore penchant for sex, director/performer Jules Jordan basks this blonde beauty in all the glory she deserves. Shot across six powerful scenes, Samantha is idolized from every angle, and is put in very compromising sexual situations in the process. The results will leave you gaga!

Miss Saint, adorned in an elaborate mask, opens the show with Chris Strokes. Looking beautiful from head to toe, Samantha allows Chris to enjoy her pussy in several standing arrangements, working up froth in standing cowgirl.

From here, Samantha ravages James Deen and Voodoo, who are both tied to a chair and gagged. Once released, they share her pussy and mouth between them, treating her to multiple orgasms.

Continuing with the show, Samantha breaks Voodoo down with a

spirited ride in cowgirl and reverse cowgirl. This, of course, is exponentially more explosive considering that Voodoo is wearing a leather dog mask!

Continuing with the show, Samantha Saint fucks the master of ceremonies himself, Jules Jordan. With palpable chemistry and plenty of positions, this duo is hot.

Ending in a bubble bath, alongside Kiara Diane and Brett Rossi, we'd say Samantha Saint has what it takes to make you slippery and wet!

EXTRAS: The BTS featurette, lasting over ten minutes, offered additional sexual footage and a tad more tease. The photo gallery selection was also a nice inclusion, offering plenty of hardcore material to salivate over. A biography of Jules Jordan was also entertaining, as were the trailers and the pop shot recap option.

BEHIND THE SCENES OF THE VALLEY Zero Tolerance

Starring: Andy San Dimas, Chastity Lynn, Chanel Preston, Lizz Tayler, Stevie Shae, Katie St. Ives, Tommy Pistol, James Deen, Anthony Rosano, Evan Stone, Others
Directed By: Sam Hain

Presented as a Neo-Noir thriller, esteemed director, Sam Hain, presents the darker side of the underground porn industry by offering us a classic murder mystery. Here, Tommy Pistol is hired by a sexually eccentric billionaire to help find his missing daughter, Chastity Lynn. With palpable energy and an ironclad script, what lies inside is nothing less than bone chilling!

The epic saga begins with Lizz Tayler, a punk rock plaything, bum rushing her hot lady friend, Stevie Shae. Gorging on gash, each girl services the other to perfection, resulting in one hell of a lesbian loin lock.

Later, Tommy receives a DVD that shows Chastity participating in a gritty porn scene with James Deen and Anthony Rosano. Tossing her between them, the men fuck her from top to bottom, leaving her a dripping wet mess.

From here, Chanel Preston, the reigning porn queen in the story, pays Tommy a visit. Delivering the strongest scene of the production, molten

lava has nothing on these two!

As more information is discovered and the pieces of the puzzle are starting to fit together, Tommy does not like the sadistic picture that is being painted. With loads of evidence now under his arm, Tommy visits Andy San Dimas, Chastity's cold and calculating sister. Deciding to fuck the truth out of her, expect loads of hot action and a surprise ending that you never saw coming.

EXTRAS: This two-disc set offers a plethora of juicy extras. Not only is there a ten minute BTS reel that showcases the performers in action and in various states of preparation, but there is also solid interview sessions with: Andy San Dimas, Chastity Lynn, Katie St. Ives, and Chanel Preston, lasting over 30 minutes. In addition to those tidbits, you'll want to save room for the block of trailers and the image gallery that is loaded with hardcore goodness.

Angel & Sue

After School Sex Ed

02944

My bestie, Sue, and I get into all kinds of trouble. We're known as the two kinkiest girls in our school. Guys just love Sue, being that she's Asian and so exotic-looking. I don't do too bad myself. We were both after Jared, the coolest guy on campus. He rides a bike, and from what we heard, he's big in the pants. One day, Sue and I "accidentally" bumped into him in the library. We cornered him between two bookshelves, and I began rubbing his dick while Sue licked his neck. It wasn't long before we were back in his room. We took turns sucking him off and riding his steel rod. It was quite the afternoon. Yup, we usually get what we want.

Summer Fling

I make no bones about it. I'm an all-natural, outdoors kind of girl. I love to commune with nature—especially in the nude. Can you believe that some girls my age want to have boob implants? Please, keep what you were given and make the most of it, I say. When I go camping, I love to steal off to a secluded spot and get naked. Then I play with myself. I love to slide my fingers over my smooth, shaved pussy, and then stick a finger or two inside my wet box. I can make myself cum several times in a row. Just being outdoors, naked as the day I was born, gets me in the mood—like I am right now. I'm going to cum a few more times today, then look forward to the next time the great outdoors beckon!

A close-up photograph of a person's legs and hands. The person is sitting on a large, flat, light-brown rock. Their legs are spread apart, and their hands are placed on their thighs, framing a ripe, red and yellow peach that is positioned between their legs. The background is a blurred blue surface, possibly water. The lighting is bright, creating strong highlights and shadows on the skin.

A BIG DICK FOR A CUTIE

By Acme Andersson

These girls surely are cute and the big dicks they take on are forces to be reckoned with. Turns out these girls enjoy some reckoning.

Three of these girls smell so fresh you'll think someone just opened up a jar of Porn Star. The fourth, we'll call her Nicki Blue since that's her name, is a robo-hootered holler-girl who not only gets her pussy refitted, but she gets an anal challenge that comes as a pleasant surprise. The others—

Avril Hall, Sasha Hall, and Alexis Venton—stick with the pussy and there is incredible satisfaction in

seeing these former innocents get stuffed. Small muffins combined with overgrown cocks make A Big Dick for a Cutie a virtual masterpiece of a movie. The sweet stuff of our cream dreams, don't miss the look on these pretty faces when they take their holes where they've never been before.

STARRING: AVRIL HALL, SASHA HALL, ALEXIS VENTON AND NICKI BLUE WITH XANDER CORVUS, BRUCE VENTURE, BRAD TYLER AND JORDAN ASH
DIRECTOR: EDDIE POWELL
STUDIO: NEW SENSATIONS

ALEXIS VENTON

Big Dick: Brad Tyler

If we're going to be looking at cuties, Alexis is a fine way to warm up the eyes, not to mention the shorts. This girl just got home from school and she has something waiting for her: A big dick, attached to her curly-haired ramrod, Brad. She leans back against the window, the curtain pushed aside as his hand does the same with her panties, giving him access to her young snatch while she takes off her shirt, and anyone who can see in has a pretty damn good idea what's about to happen.

Soon she's sprawled across the desk filling her mouth with his cock, then she flips over, keeping the pecker in place, so he can give her puss some finger play. Her pussy wetter than his cock, she gets herself into position, pulls her own panties aside and shows him where he can stick it. Staring at him with her almond eyes, we can see how he is stretching her young gift box into something that will forevermore be more difficult to fill.

They go for the full fuck-around right there on the desk, the curtains still open, the small-chested Alexis cooing at how large his member is, the lips of her bald snatch pulling apart as she plays with her clit, at least in those moments where she isn't feeling so stuffed that she can actually do two things at once. Finally, she rides and grinds him until he is on the verge of volcanic explosion, then and only then does she lower to the floor and place her face in front of his rod and take his loving feeling on her face.

AVRIL HALL

Big Dick: Xander Corvus

Avril is another cutie, though with a totally different look. Fair-haired, light-skinned, and with a beautiful smile that lights up her blue eyes, she is a girl who likes to quickly get down to business and her big dick, Xander, is ready to go as soon as he sees her wearing nothing but her panties and showing off her great ass for him.

They hit the ground running, Avril spreading her legs wide for his grand entrance, and her pink area is the perfect landing pad for his cock and just when you think she's not going to be able to take it all, it's gone—disappeared right into that lovely gash of hers. He loosens her up with some missionary, then she gets on top and giggles a bit as she gets into place then she rides that pole, mounted strongly like she couldn't get away if she wanted to.

He does let her get away so that he can stretch that teen hole out from other directions and then he asks her if she's ever taken a man's load on her face. "Well, I don't know, I don't think so," the cock-confused beauty stammers. He tells her if she's not sure, she ain't never had it. He directs her down to her knees and drops a load on her face, creamy as can be. Next time she hears that question the response won't be so vague. This is a day she won't soon forget.

NICKI BLUE

Big Dick: Jordan Ash

Cutie Nicki is definitely the most sex-pro type we come across in Big Dick. Solo she works the stairway like a stripper pole, her long legs doing the splits, one shooting straight up toward the ceiling, and she is no less acrobatic when cunt-fronted with a huge cock—just a lot louder.

Volume is no problem and Jordan seems to be able to turn her up or down by shoving his cock into her gash. Then he finds the loudness button in her behind and as he rams it to her ass she is hollering to beat the band, and the band has no competition. It starts after he jackhammers her and she apparently feels no more damage can be done to her vagina, so she turns the page and mounts him, switching his cock from the front door to the back.

Jordan stands her up and presses her against the door, he piece lodged deep inside her back-end, Nicki still howling as her continues his relentless drive down her highway. When he finally reaches the end of the road, he pulls out from doggies and squirts on her ass, getting a little on the couch, which Nicki gleefully licks up.

SASHA HALL

Big Dick: Bruce Venture

Sasha is a camera-friendly lovely who looks like she's spent a lot of hours getting fucked while watching her own action in the mirror. But now she's moved on up to the big leagues, with big cameras and big cocks and she manages to keep that cool, model glow and stare about her except in those moments where we can tell that, as professional as she's trying to be, she still goes through her transitional moments, where that cock is as big as it looks and her young snazzola is still clenching tight as a vice and, "Wow, your cock is sooooo big!"

It doesn't look any smaller as he stands up and holds her close for one of those loving standing missionary positions and it's fun to watch her body so slender and ass so tight bouncing up and down, held only by his hand and his very stiff prick.

Sasha is quickly a readjusted girl and ready to get pounded from behind and Bruce gives her a pummel then gives in to Sasha's pleas to please cum in her young mouth. He shoves it in faster and faster and then pulls out, sending Sasha almost diving for his cock, which she finds just in time to swallow his load as she looks deep into the camera, imaging all of our loads going down her throat at the same time.

PORN STAR

32551

ASH HOLLYWOOD

Purely 18 is proud to bestow its highest honor upon the incomparable Ash Hollywood, hereby declaring her Teen Porn Princess of The Month. In order to be deemed worthy of the title, a girl has got to be more awesome, more outrageous and, quite simply, has to out rut all the other perverted little newcomers in the Pornland. Ash has repeatedly proven herself to be the pick of the litter. With her tight athletic body and her gorgeous expressive face, Ash elevates the act of fucking to a whole new level. She is six feet of sexy packed into a 5'1" frame; a spinner who excels at taking charge of smutty situations. Whether she is chowing box or smoking pole, she is so obviously in her element when she is doling out O's. And as far that succulent pink pussy of hers goes, whoever enters cums out hooked on teen twat.

SANDY & DARREN

An Anal Experiment

Darren and I have been going steady since our sophomore year. Now that we're seniors and legal—the sky's the limit. I'm a wild child, and that's what Darren loves about me. I'm pierced, tatted, and very experimental—especially for my age. That's why when Darren suggested we try anal, I wasn't scared. I figured I'd go for the gusto. Let me tell you, it was a lot more intense than I expected—and a lot more pleasurable. At first, it felt kind of weird, but as Darren eased his big dick into my poop chute, I relaxed. When he was all the way in and began pumping away, I went nuts from the sensation. I came like gangbusters. It was a great experience. I can't wait to see what he suggests next!

DEEP THROAT DARLING

Okay, I've got a real cool story to tell you: My two best friends and I decided to have a contest to see who could suck the biggest dick. It's a sorority sort of game we like to play. We know some dudes with huge cocks, and we were going to take them on. What my friends don't know is that I sort of "practiced" for the big event beforehand. I bought a few very large dildos and "studied" with them. I wouldn't let up until I managed to deep throat the largest toy cock—and it was very large. Actually, I got so horny from sucking it; I just had to fuck myself with it, too. Needless to say, I won the contest. I managed to take one of the guys who had 11 inches all the way down past my tonsils. My friends were astonished. If only they knew, that I sort of cheated. Hey, a girl's got to do what a girl's got to do!
